## Match background

Portugal will look to maintain an unbeaten record against the Netherlands that stretches back more than 20 years when the teams meet in their final UEFA EURO 2012 Group B fixture.

• Portugal revived their qualification hopes on matchday two, when they followed a 1-0 defeat by Germany with a gripping 3-2 victory against Denmark, Silvestre Varela scoring an 87th-minute winner. The Dutch, however, are on bottom of the section having lost to Denmark (0-1) and Germany (1-2).

• The Netherlands must win by a two-goal margin and hope Denmark lose to Germany in Lviv. Portugal will be through with victory unless Denmark win by a one-goal margin other than 2-1 and 1-0. They will progress with a draw unless Denmark win. Portugal will be through if they lose by a one-goal margin and Denmark are beaten.

#### Head-to-head record

• Portugal have an exceptional record against the Netherlands, given the relative strength of their opponents. It reads W6 D3 L1. The teams have never scored more than twice against each other; their highest scoring fixture was a 2-2 World Cup qualifying draw in Porto on 28 March 2001.

• The sides first met in Porto on 17 October 1990 in a UEFA European Championship qualifier which Portugal won 1-0. The Netherlands prevailed by the same score in the return fixture in Rotterdam, on 16 October 1991, but have not beaten their opponents in eight encounters over the ensuing two decades, drawing three and losing five.

• The nations have twice met at major final tournaments – at the 2006 FIFA World Cup and at UEFA EURO 2004 in Portugal – with Portugal winning both fixtures.

• Under-21 sides representing the two countries met at the 2007 UEFA European U21 Championship finals in the Netherlands on 13 June 2007, with the Jong Oranje prevailing 2-1 in Groningen. Ryan Babel (33) and Maceo Rigters (75) put Foppe de Haan's team in front, before Miguel Veloso (77) replied for José Couceiro's side. The hosts went on to win the tournament.

• The Netherlands had previously landed the 2006 U21 title in Portugal, with Klaas-Jan Huntelaar the top marksman at the finals with four goals, two of them coming in the 3-0 final victory against Ukraine.

#### Form guide

• Having made their debut at the 1984 finals, Portugal have featured at every UEFA European Championship since EURO '96, and have never failed to progress beyond the group stage, famously reaching the final on home soil at UEFA EURO 2004 but losing to outsiders Greece.

• The Netherlands have missed just one EURO since they picked up bronze medals on their finals debut in 1976, missing the cut for the 1984 finals. Since winning the competition in 1988, they have never failed to progress beyond the group stage, though they have also not reached the final since.

#### **Team ties**

• Arjen Robben and Wesley Sneijder made their Netherlands debuts in a 1-1 friendly draw against Portugal in Eindhoven on 30 April 2003.

• The Netherlands' Rafael van der Vaart played alongside Portugal's Cristiano Ronaldo and Pepe at Real Madrid CF in 2009/10. In 2008/09, Pepe played with Sneijder, Huntelaar, Robben and Van der Vaart at Madrid.

• Stijn Schaars plays at Sporting Clube de Portugal alongside Rui Patrício and João Pereira.

• The Netherlands' Dirk Kuyt and Portugal's Raul Meireles were team-mates at Liverpool FC in 2010/11. Kuyt scored Liverpool's equaliser in a 1-1 UEFA Champions League group stage draw at Porto on 18 September 2007, and also hit the opener in the Reds' 4-1 win against SL Benfica in the UEFA Europa League quarter-finals on 8 April 2010.

• Ricardo Quaresma and Sneijder played together at FC Internazionale Milano in 2009/10, helping to win the UEFA Champions League and an Italian double under Portuguese coach José Mourinho.

• Robin van Persie scored twice in Arsenal FC's 4-0 home win against FC Porto on 30 September 2008.

• Mark van Bommel was one of the scorers in FC Bayern München's huge 12-1 aggregate win against Sporting in the 2008/09 UEFA Champions League round of 16.

• As Sporting eliminated FC Twente on away goals in the 2009/10 UEFA Champions League third qualifying round, goalkeeper Rui Patrício came up for a late corner, and his header was deflected in by Peter Wisgerhof. The 1-1 draw gave the Lisbon side – who also featured Veloso, João Moutinho and Postiga – an away-goals success.

• Ron Vlaar's AZ Alkmaar lost to Sporting in the 2004/05 UEFA Cup semi-finals, João Moutinho setting up Miguel Garcia to make it 3-2 late in extra time and take Sporting through. Custódio also appeared for the Lisbon club.

• Meireles missed last month's UEFA Champions League final through suspension as his Chelsea FC side overcame FC Bayern München, for whom Robben missed an extra-time penalty, to win the trophy for the first time.

#### **Competition format**

• If two or more teams are equal on points on completion of the group matches, the following criteria are applied to determine the rankings:

a) Higher number of points obtained in the matches played between the teams in question;

b) Superior goal difference resulting from the matches played between the teams in question;

c) Higher number of goals scored in the matches played between the teams in question;

d) If, after having applied criteria a) to c), two teams still have an equal ranking, criteria a) to c) are reapplied exclusively to the matches between the two teams in question to determine the final rankings of the two teams. If this procedure does not lead to a decision, criteria e) to i) apply in the order given;

e) superior goal difference in all group matches;

f) higher number of goals scored in all group matches;

g) position in the UEFA national team coefficient ranking system (see annex I, paragraph 1.2.2);

h) fair play conduct of the teams (final tournament);

i) drawing of lots

• The Group B coefficients are as follows: Netherlands 40.860 Germany 40.446 Portugal 31.717 Denmark 31.205

• If two teams which have the same number of points, the same number of goals scored and conceded play their last group match against each other and are still equal at the end of that match, the ranking of the two teams in question is determined by kicks from the penalty mark provided no other teams within the group have the same number of points on completion of all group matches. Should more than two teams have the same number of points, the criteria listed under paragraph 8.07 apply.

| Name           | Date of birth | Nationality |

| Nicola Rizzoli | 05/10/1971    | ITA         |

• Born in the Italian town of Mirandola in October 1971, Nicola Rizzoli is following in the footsteps of one of the most famous referees of recent years, Pierluigi Collina, who also started his career as part of the group of match officials based in Bologna.

• An architect by profession, Rizzoli was promoted to the refereeing lists for Serie A and B in 2001, making his top-flight debut the following year.

• His major breakthrough came in 2006/07 when he took charge of some of Serie A's most high-profile fixtures, including the game between AS Roma and FC Internazionale Milano and the derbies in Milan and Rome. By the end of that season he had become a regular presence as a fourth official in the UEFA Champions League and UEFA Cup.

• Rizzoli made his only refereeing appearance in UEFA EURO 2008 qualifying in the Netherlands-Slovenia match in October 2007 having received his FIFA badge earlier that year. Also in the middle for three 2010 FIFA World Cup qualifiers.

• He was selected in the UEFA Champions League proper for the first time at the start of 2008/09, taking charge of two games in that season's group stage. ## **Competition facts**

### UEFA European Football Championship final tournament: Did you know?

• Germany are the most competition's most successful side having lifted the trophy in 1972, 1980 (both as West Germany) and 1996, reaching the final in 1976, 1992 and 2008. Only Spain (1964, 2008) and France (1984, 2000) have also triumphed more than once.

• Only three sides have ever won the UEFA European Championship on home soil: Spain (1964), Italy (1968) and France (1984).

• No side has ever retained the trophy, and no player has ever appeared in two victorious UEFA European Championship finals. The Soviet Union (1960, 1964) and West Germany (1972, 1976) returned to the finals as holders only to lose, while Rainer Bonhof twice picked up a winners' medal with West Germany (1972, 1980) but did not play in either tournament.

• Berti Vogts was a winner as a player with West Germany in 1972 and as coach of Germany in 1996, making him the only man to win as player and coach.

• Since 1980, when the final tournament expanded to become an eight-team event, the hosts or co-hosts have only failed to reach the semi-finals – or better – three times: Italy (1980), Belgium (2000) and Austria and Switzerland (2008).

• UEFA EURO 2012 is Germany's 11th successive UEFA European Championship final tournament – they last missed out as West Germany in 1968. The Netherlands are taking part in the finals for the seventh successive edition.

• Germany are appearing in the finals for the eleventh time, one more than Russia. This is the ninth tournament for the Netherlands and Spain.

• Five teams have qualified for the finals with a perfect record, including Spain and Germany this time round. The others are France (1992 and 2004) and Czech Republic (2000).

• The Netherlands' 6-1 defeat of Yugoslavia in the UEFA EURO 2000 quarter-finals is the biggest win in a final tournament. Three games have finished 5-0, most recently Sweden's 2004 defeat of Bulgaria.

• Spain are seeking to retain the trophy having already become only the third team to hold the UEFA European Championship and FIFA World Cup at the same time. West Germany won the European title in 1972 and added the world crown two years later, while France won the 1998 World Cup and UEFA EURO 2000. No team has ever won three consecutive world and continental titles.

• A total of 15 players appeared in both those finals: for West Germany, Sepp Maier, Franz Beckenbauer, Hans-Georg Schwarzenbeck, Paul Breitner, Uli Hoeness and Gerd Müller played in both matches, while Fabien Barthez, Marcel Desailly, Bixente Lizarazu, Lilian Thuram, Didier Deschamps, Youri Djorkaeff, Patrick Vieira, Zinédine Zidane and Christophe Dugarry also achieved the feat for France.

• Iker Casillas, Sergio Ramos, Carles Puyol, Joan Capdevila, Andrés Iniesta, Xavi Hernández, Cesc Fàbregas, Xabi Alonso and Fernando Torres played in Spain's 2008 EURO final win and the 2010 World Cup success.

• Five players have appeared in European Cup and UEFA European Championship final victories in the same year: Luis Suárez achieved the feat with FC Internazionale Milano and Spain in 1964, while in 1988 PSV Eindhoven quartet Hans van Breucklen, Ronald Koeman, Barry van Aerle and Gerald Vanenburg were all in the victorious Netherlands side.

• Wim Kieft and Nicolas Anelka narrowly missed out on this club. A Champion Clubs' Cup finalist with PSV in 1988, Kieft was an unused substitute in the Netherlands' European triumph, while Nicolas Anelka was similarly thwarted with France in 2000 after appearing in Real Madrid CF's UEFA Champions League final. Anelka's Madrid team-mate Christian Karembeu holds the unique position of being an unused substitute in both European Cup and European Championship final victories in the same year.

• In 2008 Germany's Michael Ballack, then with Chelsea FC, became the first player to appear in European Cup and EURO final defeats in the same year.

• Four players have followed European Cup final defeat with EURO victory in the same year: Ignacio Zoco and Amancio Amaro (1964, Real Madrid CF and Spain) and Manny Kaltz and Horst Hrubesch (1980, Hamburger SV and West Germany).

• Lothar Matthäus is the oldest player to appear in a UEFA European Championship finals; he was aged 39 years 91 days in Germany's 3-0 loss to Portugal at UEFA EURO 2000.

• Jetro Willems became the youngest player to grace a UEFA European Championship when he started the Netherlands' opening Group B match against Denmark at UEFA EURO 2012. The PSV Eindhoven defender was aged 18 years and 71 days, breaking the record held by Belgium's Enzo Scifo, who was 18 years and 115 days against Yugoslavia in 1984.

• Five players have appeared in four final tournaments: Lothar Matthäus, Peter Schmeichel, Alessandro Del Piero, Edwin van der Sar and Lilian Thuram.

• Austria's Ivica Vastic is the oldest player to score having found the net in a 1-1 draw against Poland at UEFA EURO 2008 aged 38 years 257 days.

• Johan Vonlanthen was 18 years 141 days old when scoring in Switzerland's 3-1 defeat by France at UEFA EURO 2004, making him the youngest player to strike in the finals.

• Russia's Dmitri Kirichenko scored the fastest goal in a UEFA European Championship; his effort against Greece at UEFA EURO 2004 was timed at 67 seconds.

• There have been eight hat-tricks in a final tournament: Dieter Müller (1976), Klaus Allofs (1980), Michel Platini (1984, twice), Marco van Basten (1988), Sérgio Conceição (2000), Patrick Kluivert (2000) and David Villa (2008).

# **UEFA** information

#### **UEFA statement on Warsaw incidents**

UEFA condemns the isolated incidents that occurred on Tuesday in Warsaw prior to and after the Poland-Russia match, when some groups of known troublemakers pelted the police with missiles and attacked fans irrespective of the team they were supporting. Those arrested and charged will have to be dealt with by the relevant authorities. UEFA's philosophy is to create a welcoming environment coupled with a low-profile approach to policing. The focus should be on facilitating the enjoyment of the matches by genuine football fans and isolating the tiny percentage of troublemakers. UEFA is in a constant dialogue with the public authorities in order to achieve this aim. UEFA is determined that the overwhelmingly peaceful and festive atmosphere that has so far pervaded at UEFA EURO 2012 will be continued right up to and including the final in Kyiv on Sunday 1 July.

#### Vigilance at training sessions

Further to an incident that occurred at a Dutch national team training session on 8 June, UEFA has written to the mayors of the Polish and Ukrainian cities where open training sessions are scheduled to take place to ask that all effective and necessary measures – including an increased police presence – be implemented to prevent any display of discriminatory or racist behaviour at such public sessions. UEFA has also requested that the authorities ensure that any person found to be engaging in racist behaviour be immediately ejected from the stadium and its vicinity, and that criminal proceedings be launched against such individuals. A letter was also sent to the sports minister of Poland, Joanna Mucha, to ask for the full support of the Polish authorities in dealing with these important matters. Any such behaviour is totally incompatible with UEFA's zero-tolerance policy towards any type of discriminatory conduct. UEFA is nevertheless confident that the local authorities will deal adequately with the issue.

#### Suspended points deduction for RFS

The UEFA Control and Disciplinary Body has decided to impose a deduction of six points on the Football Union of Russia (RFS) for the qualifying competition of the next UEFA European Championship. This decision is suspended for a probationary period running from now until the end of the play-offs for the UEFA EURO 2016 finals. The RFS has also been fined €120,000. The RFS was facing charges for the improper conduct of its supporters (crowd disturbances), the setting off and throwing of fireworks and the display of illicit banners at last Friday's UEFA EURO 2012 Group A match against the Czech Republic in Wroclaw. An appeal can be lodged against this decision within three days of the dispatch of the written decision.

#### **DFB** faces proceedings

UEFA has opened disciplinary proceedings against the German Football Association (DFB) following the Group B match against the Netherlands in Kharkiv. ### EURO Legends choose Carlsberg Man of the Match

Legends who have graced past EUROs will be making a key contribution to UEFA EURO 2012 by voting for and helping to present the Carlsberg Man of the Match Award at each of the 31 games in Poland and Ukraine – and fans will join them in deciding who wins the coveted prize each time. A EURO legend, invited by UEFA President Michel Platini, will be present at each match. A fan vote will be accessible via the UEFA.com match centre, and the EURO Legend will take into consideration the fans' vote before making the final decision on the most outstanding man on the field during the match. A glittering array of superstars are being lined up to decide who wins each UEFA EURO 2012 Carlsberg Man of the Match Award. Fernando Couto (Portugal), Christian Karembeu (France), Predrag Mijatović (Montenegro), Peter Schmeichel (Denmark), Allan Simonsen (Denmark), Davor Šuker (Croatia) and Patrick Vieira (France) are among those who will act as award ambassadors in Poland and Ukraine.

#### **UEFA charity donation for EURO goals**

Committed to providing improved access and facilities for disabled football fans, UEFA is donating €3,000 for every goal scored at UEFA EURO 2012 to the Centre for Access to Football in Europe (CAFE), the official tournament charity. As part of the Respect programme at UEFA EURO 2012, UEFA is working with CAFE to manage separate Respect Inclusion initiatives, and football followers and other benefactors are being encouraged to donate money for upcoming schemes. CAFE was set up via UEFA's CHF1m charity cheque in 2009 to promote and ensure equal access across UEFA's member national associations. It provides support, guidance and advice to partners and stakeholders, which include UEFA, national associations, leagues and clubs, disabled fans and disabled supporter groups.
